Omega Netball Club Turns 40!

OMEGA Netball Club has been established since 1972. It started with one team being formed and training out of St Catherine's Primary School. The Club slowly grew in numbers with the popularity of Netball in the 1980's. Omega drew players from around the Moorabbin & Bentleigh area. Tucker Road Primary School was used as a training venue growing to 13 teams playing at the Le Park Facility and then moving to the Moorabbin District Netball Association which is now what we know as Kingston District Netball Association. The club dip in the number of players in 2005 only having 5 teams registered, however; since then, Omega has slowly grown 14 teams being registered for the Autumn 2012 season, including 1 Netta Team and 2 open teams and a number of players returning to club. Happy Birthday Omega and may we have another 40 years of Netball.

Autumn Season Team photos will take place on Friday 16th March

(weather permitting) Players to wear Netball Uniform to training

2012 Autumn Season Netball Teams

KDNA match committee is responsible for placing Omega Netball teams in grades of each age section. Teams may be re-graded up to round 5. Omega Netball Club will abide by the decisions of the KDNA match committee.

It is confusing for players, especially younger age players to hear a number of directions coming from the side-lines whilst concentration on the game play on court. Please leave the coaching to the coaches as they are the ones who have the game plan in mind and the focus of developmental stages of individual players and the team as a whole. If there is a concern with umpiring please see your teams coach or Omega committee member. Please do not approach KDNA or umpires at any time. The coach of your daughter’s team is the person to take up any concern in the appropriate manner.</p>
